40W Portable PA Range

Overview.

These compact, lightweight units offer the portability of lighter Okayo systems with increased audio power output and battery life. The inbuilt high capacity 2.9Ah battery provides several hours of use away from mains power. Alternatively the unit may be powered from the mains by the ac/dc adaptor provided. The quick set up and portable design makes this system perfect for spruiking, places of worship, marriage and civil celebrants; schools and sporting clubs.

All models include the same amplifier, power supply, battery and charging circuit. The amplifier includes a 6.35mm or 3 pin XLR mic input, plus 3.5mm auxiliary input and output. Treble, bass, auxiliary volume and master volumes are also provided. A handy LED bar graph displays the battery charge status.

UHF 640MHz wireless equipped.

The radio microphone receivers are 96 channel, allowing easy selection of non-interfering frequencies. Each receiver includes individual frequency adjustment and volume control.

- Features:**
- Compact design, weighs only 4kg
 - Inbuilt carry handle
 - Sets up in seconds
 - Desk, stand or wall mount
 - Inbuilt battery
 - High performance 40W RMS amp
 - UHF mic receiver models (96 channel 640-663MHz)
